Dinner 6:00 PM
Program/ Meeting ~6:30 PM

REGISTRATION NOT REQUIRED —ORDER OFF
MENU.

President's Message

Dear NEW DNA members:

The calendar indicates spring but that seems to be the only indication of a season change. I am taking a spring vacation but I don't think I need to pack shorts or sandals this time.

This issue includes a ballot because we are required to do so. We have not been flooded with candidates for district offices. Pam Roberts has agreed to run for Treasurer with a promise from Brenda to be the mentor. Pam Roberts is the newly-wed name of Pam Younk.

I have agreed to serve another year as the president. Although I have been active for many years, it has taken through the cycle of a year to get into all of the supports available from WNA and to take advantage of the networking offered there. I think my experience this year has reinforced to me that we need to relook at our structure.

The current bylaws were an experiment to see if more members would be interested in serving if the term for president was only 1 year. That has not been true and the learning curve seems to require it as well.

I am seeking several individuals who would serve on 2 committees – Bylaws and Program. Please call me at 920-499-4779 or email clkorger@earthlink.net. My mother is having surgery the first week in April and much of my time for a while will be in Eau Claire. I can probably most consistently be reached at 920-655-2849 (cell).

I think the April program will be fun. Please don't stay away if you are not a wine drinker. Bring a bottle of wine – any price range, bring a glass for yourself and a snack item. Leona has extended an invitation to come to the Bellevue Retirement Home again. She likes being hostess. See you there.

Connie Korger
